Wawa Continues Commitment to Chain Wide Blood Drives
Give Blood, Save Lives, Get Juice
Spring Schedule Includes more than 20 Blood Drives Open to the Public

Media, Pa. (February, 2009) –From February 3rd until April 16th, Wawa will be hosting more than 20 blood drive sites in four of their operating states: PA, NJ, MD, and VA. Their goal for this year is to collect 2,000 pints of blood.

Wawa Associates have supported the American Red Cross blood drives for more than two decades. During the past five years, more than 10,000 pints of blood have been collected at Wawa's chain wide blood drives. Wawa's blood drives are open to the public. They are staffed by Wawa volunteers, who give of their time, and they donate their blood for this important, life-saving effort; a single blood donation can help as many as three people. As an added incentive, successful donors will receive a coupon for a free pint of 100% Wawa juice.

The whole process of giving blood takes about an hour. The donation itself is only about ten minutes. If you are not eligible to give blood, please recruit a friend, relative or customer. Most healthy people who are at least 17 years of age and weigh 110 pounds or more are eligible to donate blood every 56 days. Remember to drink plenty of fluids before your appointment. Donors must bring the appropriate photo identification, such as a driver's license or American Red Cross donor card. Afterwards, your blood donation is brought back to the American Red Cross where it is tested and separated into components. All donors who successfully give blood will receive a coupon for a free pint of Wawa's new 100% Juices!

Your blood could save the life of a cancer patient, a teenager who has been in an accident or a premature infant. See the attached Wawa Blood Drive schedule and sign up to save a life!

About Wawa, Inc.

Wawa, Inc., a privately held company, began in 1803 as an iron foundry in New Jersey. Toward the end of the 19th Century, owner George Wood took an interest in dairy farming and the family began a small processing plant in Wawa, Pa, in 1902. The milk business was a huge success, due to its quality, cleanliness and "certified" process. As home delivery of milk declined in the early 1960's, Grahame Wood, George's grandson, opened the first Wawa Food Market in 1964 as an outlet for dairy products. Today, Wawa operates more than 560 stores in Pennsylvania, New Jersey, Delaware, Maryland and Virginia.

Please call: 1-800-GIVE-LIFE (1-800-448-3543) to schedule an appointment to donate blood.
